MANJULA DINESH KUMAR

📞 +91 7601046628 / ✉ manjuladineshkumar333@gmail.com / 🔗 Dinesh5 / 🐙 Dinesh-2004 /

SKILLS

Programming Languages: Java, JavaScript
Frontend: HTML5, CSS3, JavaScript (ES6), React, Tailwind CSS
Backend: Spring, Spring Boot, JDBC, JSP/Servlets, REST API
Databases: MySQL,
Core subjects: OOPS, Computer Networks, DBMS

PROJECTS

DevSync Hub – Collaborative Developer Workspace   **June 2025 – Present**
React, Tailwind, Spring Boot, MySQL, JWT Auth   Live: devsynchub.xyz

— Built a Java-based full-stack collaboration platform where developers can **create tasks, manage sprints, and collaborate** in real time.
— Developed **Spring Boot REST APIs** with JWT authentication, activity tracking, team management, and optimized query performance.
— Enhanced the React UI with reusable components, seamless routing, and efficient state management to improve overall user experience.

CampusServe – University Utility & Complaint Portal   **Feb 2025 – Apr 2025**
Java, Spring Boot, SQL, REST API, JWT, React   Live: campusserve.in

— Developed a full-stack service portal enabling students to **submit complaints, track progress, and request campus services**.
— Designed and deployed **Spring Boot REST APIs** with layered architecture, validation, and JWT-based authentication.
— Integrated a React admin dashboard for managing service requests, worker assignments, and analytics dashboards.

INTERNSHIP

Full Stack Developer Intern – TAP Academy   **Jan 2024 – June 2024**

— Developed and deployed full-stack applications using **JAVA, Spring Boot, Hibernate, MySQL, React, and REST APIs**, following clean and scalable architecture.
— Built backend modules with Spring Boot, implemented secure authentication, and optimized API performance.
— Designed responsive React components, improved page load speed, and enhanced overall user experience.

ACHIEVEMENTS

• **Secured 2nd Place at GDG HackFest 2024** — built an end-to-end full-stack solution within 24 hours, competing among 300+ participants from various universities.

• **Solved 600+ problems on LeetCode**, strengthening data structures, algorithms, and problem-solving skills with consistent daily practice.

• **Contributed to Open-Source** through programs like **GSSoC** and **Hacktoberfest**, submitting meaningful PRs, improving documentation, and collaborating with global developer communities.

EDUCATION

JNTUA College Of Engineering Kalikiri   **Oct 2022 - May 2026**
B.Tech in Computer Science and Engineering, PERCENTAGE: 72   Chittor, India

Intermediate   **Jul 2021 - Jun 2023**
Diploma in Computer Science, PERCENTAGE: 82   Chittor, India
